Señor Iguana's, Inc., Marcia E. Corona v. Idaho State Police Bureau of Alcohol Beverage Control, Inc., Docket No. 43158

The Idaho Supreme Court affirmed the Bannock County District Court's order upholding the Idaho State Police, Bureau of Alcohol Beverage Control's (ABC) order that cancelled Iguana's liquor license. The Court ruled that because Iguana's failed to timely pay the renewal fee for their license, no hearing to cancel the license was necessary and the license expired by operation of law.
